GROUP APPLICATION INSTRUCTIONS

Please follow the step-by-step instructions below to complete your Summer Housing application as an ITP CAMP participant.

Completing the Summer Housing Application

- If you do not have an NYU ID number, register for one [here](#). Once you receive your ID number via e-mail (in about 3 business days), follow the instructions in the e-mail to activate your NYU ID number and create your password.
- Login to NYUHome at <http://home.nyu.edu> with your Net ID and Password.
- Click on the "Student Housing and Meal Plan Forms" button under the "Housing Forms" section. If this option is not located on your main homepage, you can find it under the NYU Life tab. This will bring you to the NYU Housing Portal. Look for Summer in New York City and click Access Application.
- Please read each application step carefully and follow the instructions, paying careful attention to the **Summer Affiliation Step**. (Please note, you are NOT in a prearranged group. Select **NO** on Step 3.)

Summer Affiliation

As a participant in the ITP Camp, you are considered an affiliated applicant. This makes you eligible to reside in certain residence halls during the program which are available at a reduced weekly rate. On the 'Summer Affiliation' step, please answer **YES** to this question:
Will you be working or volunteering at NYU during the 2017 Summer Housing Period (including paid or unpaid positions and collaborations with NYU programs)?

In the description box that opens please enter **ITP Camp** and note your program dates.

- Complete the remainder of the application and make sure to click SUBMIT on the final step of the application.
- Once your application has been submitted you will receive an email confirmation that your application has been received along with instructions for submitting your \$500 reservation payment. **IMPORTANT:** Your application is not complete until you have submitted your reservation payment.

The following halls are being offered at a reduced rate to affiliated applicants, subject to availability:

- Othmer Hall (in Brooklyn)
