

Prototyping Electronic Devices  
Class 8

# Midterm Presentation

Deqing Sun  
ITP, Fall 2019

# Midterm Informal Presentation

Bring your “do it once” project, at least describe:

- What you want to make?
- What you've made?
- Input(s) & Output(s)
- Sensors, actuators, board, etc
- Next step
- Thoughts or questions

Max. 5 min for each one.

Feedback sheet for each project.

# If you don't want to receive feedback sheets publicly from class email list

Email: [deqing.sun\[at\]nyu.edu](mailto:deqing.sun[at]nyu.edu)

We'll remove your project feedback from class email and send it to you privately.
