ITP Events

Tender Taxonomies - Workshop & Artist Talk

This event will begin with a short artist talk where Aarati will present in-progress work from her time as a Project Fellow and ground the topic of the workshop in her current creative research. The workshop portion will explore the advantages and limitations of computational (and human) classification of images through participatory and technical exercises.

- Virtual Event
- Friday, Feb. 16th, 7:30 pm — 9:00 pm EST

THE BUILDERS ASSOCIATION: I AGREE TO THE TERMS

I Agree To The Terms is a new virtual performance developed by the OBIE Award-winning ensemble The Builders Association. The interactive online event is being created with a community of Amazon "microworkers" who train the algorithms that shape our online experience. MTurk workers earn from \$1 to \$100 a day in a vast, unregulated industry. Their assignments are repetitive, boring, maddening, and sometimes disturbing.

- March 25th - April 3rd
- Tickets \$15.00

Re-Fest Open Call for Submissions!

CultureHub seeks artists to submit a 1-minute video to be exhibited at Re-Fest that explores the theme of reunification. As we continue to fight the global pandemic and our ability to come together physically is limited, how can we imagine the world we want to create? What new rituals and modes of togetherness can be forged whether we are in a physical space together or not? All forms of visual expression are welcome.

- Submissions will close once we receive 100 submissions or on February 21, 2022, whichever comes first.
